

## **The Prayer of Dedication**

**Lord, we are blessed to have an opportunity each week to contribute to helping others with material needs. Jesus taught that your love was about giving and caring. The funds that our offerings go to help to sustain the outreach missions we care so much about. We have been blessed in the River Churches Cooperative Parishes to have like-minded people also working to further the message of caring and giving that we stand for. We know your Grace is with us in our mission work. Amen**
